

## Baby Wipes

In art, there is often a portion of the Class spent on cleanup. To facilitate the Cleanup process, I typically have students use baby wipes for their hands and the tables. If anyone would like to bring in a box of baby wipes with their child during the first month of school, it would be greatly appreciated!

Thank you! ~Mrs. Silva

### Other Items we could use in the art room:

-Sponges and Dish soap

-Tissues

-Clorox/Lysol Wipes & Surface Cleaner
